Daily Lunch for Seniors

The Senior Center offers a hot lunch Monday through Friday. When possible, please call 278-8622, 24 hours in advance, to order your meal. No one will be turned away for not having a reservation and all are welcome. Transportation is available to our lunch. Call 278-8622 to schedule your ride. Please note that funding for our transportation and meal programs fall outside the local town budget. We gladly accept donations, payable to the Town of Uxbridge, to help offset the costs of these fundamental programs at our Center.
