Please publish the following Notice on the Uxbridge page on: **September 30, 2013**

**CONSERVATION COMMISSION
TOWN OF UXBRIDGE
PUBLIC HEARING**

The Conservation Commission will hold a Public Hearing on the Notice of Intent application filed by Algonquin Gas Transmission, LLC to install a cathodic protection linear anode bed within their existing natural gas pipeline ROW easement west of Chestnut Street, Uxbridge (Assessor's Map 50, Lots 161 and 275). Portions of the work will be within regulated wetland resource areas:

Hearing is in accordance with M.G.L. 131, Section 40 and associated regulations. Said hearing will be held Monday **October 7, 2013, at 7:00 p.m.**, at the Uxbridge Town Hall, 21 South Main Street, Uxbridge, MA.

Russell Holden, Chairman
Conservation Commission
