Meeting called to order at 3:20 PM

September 18, 2018 meeting was cancelled due to Hurricane Florence

Minutes for the August 21, 2018 meeting were read by Francis Cove, seconded by Mary Beauchamp and passed unanimously.

Old Business:

With the installment of new duct work by Nydam, the work in the basement has been completed.

New Business:

1. Realtor Pamela Smeagle from Sotheby's called Faye McCloskey and offered to show the Commission one of the oldest barns in New England and wondered if we would like to purchase it. Francis Cove, Peter Emerick and Faye McCloskey checked it out. The realtor was not able to get a firm commitment from the owners about selling it. We terminated our interest for now.
2. Selectman Susan Franz brought maps and application forms for her work on the Underground Railway Network-To- Freedom Applications that she needed to send to the State by January 25, 2019. Some members were able to help her identify the sites, addresses and history of the people who lived there.

Next meeting will be November 20, 2018 at 3 PM at the Cornet John Farnum House.
Motion to adjourn was made by Francis Cove, seconded by Mary Beauchamp and followed by a unanimous vote in favor.

Meeting adjourned at 4:30 PM

Respectfully Submitted,
