

Town of Uxbridge, MA

Request for Proposal RFP: UWCF2019A

Lease of Municipal Real Estate for Wireless Communications Facility

Sealed Proposals will be received at the Office of the Town Manager, Town of Uxbridge, Town Hall, 21 South Main Street, Uxbridge, MA 01569 until **3PM, on Wednesday March 27, 2019**, at which time and place they will be publicly opened and read aloud, for the following:

The Town of Uxbridge seeks to award a lease for a portion of the property described as Assessors Map 18C, Lot 2765, and located at the street address of 59 Hazel Street. The total parcel consists of approximately 4.78 Acres (203,860+/- SF), a portion of which will be dedicated to the purpose of the siting and construction of a new telecommunications facility, and the operations of this facility to support wireless communications activities.

Any lease(s) awarded pursuant to this RFP shall be subject to Town Meeting approval and shall not exceed a maximum of twenty (20) years including any extensions.

The Request for Proposals (“RFP”) is made pursuant to Massachusetts General Laws, Chapter 30B, Section 16, pertaining to the lease of Real Property.

By submission of a Proposal, the firm submitting a proposal agrees to enter into a lease with the Town of Uxbridge (the “Town”) that incorporates all the terms and conditions of the RFP and in the same form as the lease included with this RFP. The Lessee will be responsible for obtaining any and all required permitting pursuant to Federal, State and local regulations and codes, including zoning, and all costs of construction and maintenance of their facilities and equipment.

All Proposals will remain in effect for a period of one-hundred twenty (120) days from the deadline for submission, or until a Lease is signed by the Town, or this Request for Proposals is cancelled, whichever occurs first and the successful Proposer, or that this Request for Proposals is cancelled, whichever occurs first.

Once received by the Town, Proposals may be corrected, modified, or withdrawn Proposals in writing only, and such writing must be received by the Town not less than forty-eight (48) hours before the date and time scheduled for the Proposals to be opened.

Town of Uxbridge, MA

Request for Proposals

Lease of Municipal Real Estate for Wireless Communications Facility

The Town of Uxbridge reserves the right to reject any and all Proposals. Waive any informalities in the Proposals, and to accept the Proposal deemed to be in the best interest of the Town. A lease contract will be awarded, if at all, to the responsive and responsible Proposer whose Proposal is deemed by the Town, in its sole discretion, to be the most advantageous, taking into consideration price and the evaluation criteria included in Section VII of this RFP.

Original Proposals must be delivered together with six (6) additional printed copies and one (1) electronic copy on a USB Flash Drive in a sealed package plainly marked "RFP: UWCF2019A – Proposals for Lease – Wireless Communications Facilities," and addressed to:

Town of Uxbridge, MA

Request for Proposals

Lease of Municipal Real Estate for Wireless Communications Facility

Section I. Overview

The purpose of this Request for Proposals (the “RFP”) is to solicit responses for the lease of a portion of the property owned by the Town of Uxbridge (the “Town”), for the purpose of construction of a new communications facility, and operation of the facility to support wireless communications activities for the property located at described as Assessors Map 18C, Lot 2765, and located at the street address of 59 Hazel Street. The total parcel consists of approximately 4.78 Acres (203,860+/- SF). a portion of which will be dedicated to the purpose of the siting and construction of a new telecommunications facility, and the operations of this facility to support wireless communications activities.

Proposers must meet all minimum evaluation criteria, must satisfy all minimum requirements contained in the RFP, must complete the enclosed response form and price summary form, and must include all requested documents. The Town has attempted in this RFP to be as accurate as possible, but is not responsible for any unintentional errors herein.

Preference will be given to the Proposer utilizing maximum creativity to integrate the new proposed facility as aesthetically as possible into the subject site.

The Town of Uxbridge has no zoning by-law directly governing the installation of wireless communications facilities in the Town, therefore the siting of communications facilities falls under the Section entitled “APPENDIX B - ESSENTIAL SERVICES”. The Zoning By-law, which is incorporated herein by reference and is available upon request from the Town Clerk or via the Town of Uxbridge website (www.Uxbridge-ma.gov under By-laws, Zoning By-laws, Appendix B), has various requirements and must be reviewed in detail by each firm before submitting a response under this RFP. The award and execution of any lease under this RFP is subject to compliance with applicable requirements of the Zoning By-law and the approval of the Town’s Planning Board and Board of Selectmen.

The successful Proposer will be required to allow co-location by other wireless telecommunications users/service providers in accordance with the Town’s guidance.

Proposals must accommodate the Town by providing public safety departments and organizations with adequate capacity for public safety communications (tower space)

including ground shelter space. The response must indicate the method that will be used to accommodate the needs of the Town's Public Safety Departments and organizations.

Location of Public Safety communications equipment on any wireless communications facility and maintained pursuant to this RFP must always be the prioritized. The Lessee shall have installed communications equipment of the types and frequencies that will not cause "measurable interference" as defined by the Federal Communications Commission (FCC) to present or future municipal communications equipment, other carriers, or to residents of the Town of Uxbridge, MA. In the event that the Lessee's equipment causes such interference, the lessee shall correct and eliminate such interference within thirty (30) days of written notification from the Town.

All costs associated with plan review and approval, and work inspection and acceptance as to compliance with the approved plans shall be borne by the Lessee.

Section II. Pre-Submittal Conference, Site Inspections, Testing

The Town makes no representations of any kind with respect to the Site, its adequacy to support the facilities and equipment, or the appropriateness of the Site for use as a site for wireless communication equipment. Interested parties will be permitted to inspect the Town's plans, specifications and other records relating to the Site, perform engineering surveys and tests at their own expense and with prior approval of the Town, and completion of the release and waiver at Appendix UWCF2019A-HH to this RFP. Each potential Lessee will be solely responsible for determining the adequacy of the Site for use as a wireless communication facility and equipment site.

Section III. Instructions to Proposers

1. Failure to complete all of the enclosed forms, satisfy minimum requirements, and/or provide required documentation will render a Proposal non-responsive and will result in a rejection of the Proposal, unless the Town determines, in its sole discretion, that such failure constitutes a minor informality, as defined in M.G.L. c.30B.
2. All requests for clarification and any questions about information contained in this RFP must be submitted in writing and addressed to:

Angeline Ellison
Town Manager
Town Hall
21 South Main Street
Uxbridge, MA 01569
AEllison@uxbridge-ma.gov
508 278 8600 X2002

No requests or questions will be accepted after **3PM, Tuesday March 12, 2019**. The Proposer must include with any request or question the name, address, telephone number, and email address of the person to whom the response, if any, should be directed. The Town will provide such answer or response in writing to all Proposers in the form of an Addendum to the RFP. Proposers are not entitled to rely upon any answers or responses unless issued by the Town, in writing, in accordance with this paragraph.

3. One original and six copies of the Proposal plus an electronic copy on a USB Flash Drive must be received by the Town Manager prior to **3PM, Wednesday March 27, 2019**. Note that the Town does not receive overnight mail by 3PM; therefore, Proposers should not have the expectation of timely delivery of their response being delivered via overnight mail sent one-day prior to the designated date for receipt of such Proposals.

Proposals must be delivered in a sealed package, plainly marked "RFP: UWCF2019A –Proposal for Lease-Wireless Communications Facilities".

4. Proposers may be corrected, modified or withdrawn in writing only, and such writing must be received by the Town not less than forty-eight (48) hours to the

Proposal opening. Any corrections or modifications must be in a sealed envelope when submitted.

5. All Proposals will remain in effect for a period of one hundred-twenty (120) days from the deadline for submission, or until a Lease is signed by the successful Proposer and the Town, or this Request for Proposals is cancelled, whichever occurs first.
6. In the case of a discrepancy on the Price Summary Form between the written and numerical amounts, the written amount shall prevail.
7. Nothing in this RFP shall be construed as superseding the Town's Zoning By-law, which at all times controls.

Section IV. Evaluation

All Proposals will be reviewed in accordance with M.G.L. c.30B, §16, by the Town Manager. The final selection of one or multiple proposals will be made by the Board of Selectmen based on the recommendation of the Town Manager's evaluation and analysis of the information and materials required under this RFP.

A lease contract will be awarded, if at all, to a responsive and responsible Proposer whose response is deemed by the Town to be most advantageous, taking into consideration price and the evaluation criteria included in Section VII of this RFP.

A "responsive" proposal is one that (1) includes all documents and information required by, and satisfies all minimum requirements contained in this RFP, and (2) accommodates the Town's public safety communications by providing public safety personnel with back-up communications via cellular devices and service, and technology that may replace or enhance emergency and public safety cellular service.

A "responsible" Proposer is one who demonstrates through its Proposal that it possesses the experience and resources to fulfill the requirements of this RFP (See Sections VII and VIII).

A "most advantageous" Proposal is one that has been determined by the Town to best satisfy the comparative evaluation criteria, as stated in Section VIII of this RFP, and that offers the highest price.

Town of Uxbridge, MA

Request for Proposals

The successful Proposer must sign the Lease Agreement that is included in this RFP no later than ten (10) days from date of its receipt of a Notice of Award from the Town. If the successful Proposer fails to execute a Lease, the Town may select the next Most Advantageous offer.

The Town reserves the right to reject any and all Proposals if it determines that it is in the best interest of the Town to do so. The Town also reserves the right to waive any informalities in the Proposals and to accept the Proposal deemed to be in the best interest of the Town.

Section IV. Description of Property to be Leased

The property to be leased is owned by the Town of Uxbridge (the “Town”), described on Town of Uxbridge Assessors Map as Map 18C, Lot 2765, located at the street address of Hazel Street. The total site consists of approximately The total parcel consists of approximately 4.78 Acres (203,860+/- SF), a portion of which will be dedicated to the purpose of the siting and construction of a new telecommunications facility, and the operations of this facility to support wireless communications activities.

All site analysis, planning, and construction activity shall be undertaken in a manner that does not disturb, or that minimally disturbs the nearby residential neighbors and has little or no impact on the traffic in the neighborhood.

Section V. Lease and Term Conditions

Minimum Requirements: A minimum, first year lease payment of at least \$50,000 shall be required for the commencement of the Lease. An escalation fee of at a minimum 8% per year is required for each year after the first year through year Ten, effectively the term of the initial lease.

In the Town’s sole discretion, the successful Proposer who is awarded and signs a lease may be permitted the opportunity to renew the lease for one additional ten (10) year period.

The successful Lessee shall not assign this contract or any interest therein, without the prior written consent of the Town.

The Lessee shall have responsibility for all utility costs for the antennas and associated

apparatus and pay all costs associated with the installation, maintenance, and insurance of the equipment and employees or contractors during construction and throughout the duration of the lease.

The Lessee shall be responsible for obtaining and maintaining all required permits.

All work must be performed in a good and workmanlike manner, and in a manner that will not adversely affect the property or any existing structure on the property or cause any other damage to the Town's property or structures.

The Lessee shall reimburse the Town for any reasonable fees and expenses incurred by the Town's consulting engineers in reviewing any such work by the Lessee, provided such fees do not exceed \$7,500.

The Lessee shall be responsible for the removal of all personal property and equipment installed at the site, including any utility connections, and shall restore the site to its pre-existing condition. Such removal shall be completed upon the expiration of the Lease period. If the Town elects not to require the removal of all personal property including utility connections installed by the lessee, it may require the Lessee to transfer title of such property and connections to the Town by appropriate written documentation.

The Lessee shall furnish a bond in the amount of \$50,000 to provide for the removal of equipment upon the termination of the lease.

The Lessee shall maintain at all times during the term of the lease agreement or any extension thereof, at its own expense and cost, commercial general liability insurance for injury to persons or damage to property insuring Lessee and Lessor as an additional insured against claims of liability arising out of the Lessee's use or occupancy of the leased premises. Such insurance shall provide in the amount of five million dollars (\$5,000,000) per occurrence and in the aggregate and shall be issued by a responsible company qualified to do business in Massachusetts and in good standing therein.

The Lessee shall be responsible for making any necessary returns for and paying all real estate and personal property taxes levied against the improvements constructed by the Lessee on the leased premises.

Section VI. Comparative Evaluation Criteria

The purpose of the information requested in this section is to assist the Town in evaluating and comparing responses. Responses should be complete and full so as to allow evaluation of the following criteria (see also Section VIII for documents required to be included with Proposals in connection with the evaluation criteria):

1. Financial strength and Credit Worthiness

A *Highly Advantageous* rating will be given to a Proposer who has more than sufficient assets to enter into the Lease agreement and make payments for the total annual value set forth in the RFP. In particular, this highest rating will be reserved for Proposers whose Dun and Bradstreet (or equivalent) classification for financial strength is “3A” or better, with a composite credit appraisal of 1.

An *Advantageous* rating will be given to a Proposer who has sufficient assets to enter into the Lease, as shown by its Dun and Bradstreet (or equivalent) classification for financial strength of at least “1A”, with composite credit rating of at least “2”. Ratings of parent or sister companies who have only limited liability for the Proposer shall be considered.

An *Unacceptable* rating will be given to a Proposer who does not have sufficient assets to enter into the Lease, as shown by its Dun and Bradstreet (or equivalent) classification for financial strength of lower than “1A”.

2. Most Aesthetically Appropriate Use of the Property

A *Highly Advantageous* rating will be given to a Proposer whose proposed plans for the property involve the most aesthetically appropriate use of the subject site by minimizing the visual and environmental impacts of the proposed facilities, consistent with the requirements of the Town’s Zoning By-law appendix B.

Design measures taken to minimize the visual impact of the equipment will contribute to a *Highly Advantageous* rating. The Town has determined that the development of the subject site for wireless communications purposes is an appropriate use of the property. Preference will be given to the Proposer utilizing maximum creativity to integrate the new facility into the subject site and the

neighborhood in as aesthetically appealing manner as possible, as determined by the Town.

An *Advantageous* rating will be given to a Proposer whose proposed plans for the property comply with the requirements of the Town's Zoning By-law Appendix B and who will use standard installation techniques, with efforts to mitigate visual impact and the protection of the environment, as determined by the Town.

An *Unacceptable* rating will be given to a Proposer whose proposed plans for the Property are not for wireless communications tower purposes or otherwise fail to comply with the Town's Zoning By-law Appendix B and the provisions of this RFP, or make no effort to mitigate visual impacts and/or protect the environment, as determined by the Town.

3. Technical Expertise and Capabilities and Documentation of Need

A *Highly Advantageous* rating will be given to a Proposer who exhibits Significant technical expertise and capabilities for the construction, operation and maintenance of wireless communications antennas, and other equipment. In particular, this highest rating will be reserved for Proposers whose experience, professional licenses and accreditations, and professional references demonstrate a capability of developing a specialized approach to the operation and maintenance of the wireless communications antennas and communications equipment in a manner that is suitable for this Lease.

To obtain this rating, a Proposer must have at least ten (10) years of experience in constructing, operating and maintaining wireless communications antennas, and other related equipment.

The material submitted pursuant to Section VIII of this RFP will be used to evaluate the stated criteria, and compelling argument must be made by the Proposer relative to the need for and community benefit of the proposed installation at the subject site.

An *Advantageous* rating will be given to a Proposer who exhibits between five (5) and ten (10) years of experience in the construction of, operation of, and maintenance of wireless communications towers, antennas and other related equipment.

An *Unacceptable* rating will be given to a Proposer who exhibits less than five (5) years of experience in the construction of, operation of, and maintenance of wireless communications towers, antennas and other related equipment.

4. Experience with Similar Projects

A *Highly Advantageous* rating will be given to a Proposer who exhibits significant in the development and operation wireless communications antennas and other related equipment that are similar in nature, size, design and scope. In particular, the highest rating will be reserved for Proposers who offer ten (10) or more years of experience in dealing with municipalities or other public bodies in the leasing of publically owned land, and who have developed sites in Massachusetts, and who exhibit proven experience using the design methods and techniques that will minimize visual impacts of the proposed facility.

An *Advantageous* rating will be given to a Proposer who exhibits less than ten (10) years of experience in the construction of, operation of, and maintenance of wireless communications towers, antennas and other related equipment.

An *Unacceptable* rating will be given to a Proposer who exhibits less than five (5) years of experience in the construction of, operation of, and maintenance of wireless communications towers, antennas and other related equipment.

Section VII. Document Submission Requirements

The following documents must accompany the submitted Proposals. Failure to provide and of the required documents may result in the determination of “Proposer Non-Response”.

1. Proposal Form
