The first night will be the car and bike show and the second night there will be an addition to the event. There is going to be a 30 minute Laser Light Show. The event will be over two days - June 26th and the 27th and will be held at McCloskey Middle School. It will be an alcohol free event.

Jeffrey Lourie suggests 2 detail officers and he will try to also put another Officer on if he has it in the budget.

Main issue which everyone agrees on will be parking.

The school committee discussed this at their meeting and everyone agrees that the panic button, which is through google, is not the way to go.
