### **Meeting called to order:**

The time being 6:00 PM and a quorum present, Chairman Dr. David Tapscott called the meeting to order.

**Kaya Chokshi-Fox Body Art Apprentice discussion** – Ms. Chokshi-Fox applied for an apprentice body art permit. The current regulations do not address apprenticeships. She submitted the required paperwork and even took a different skin course (which she passed) once she found out there was a problem with the one she did take. After a short discussion, the Board decided to grant her the permit with the requirement that 2,000 supervised hours be completed within 2 years, verified by a log showing the hours worked. Her permit will be grandfathered if the Body Art Regulations change before she completes the required hours.

### **Discussion and possible vote on updated Body Art Regulations -**

The Board reviewed revised Body Art Regulations that Dan Markman BVPPH regional inspector created. There was discussion among members of the Board, Health Department staff and members of the audience. Edits were made and a revised copy will be presented for another review before being sent to town counsel. The board will hold a meeting in the future. Dr. Tapscott thanked everyone for their comments.
