1. REGULAR BUSINESS

- Board of Health Hiring Process

Dr. Joann Lindenmayer read Erin Hightower's resume and was impressed with her leadership skills, experience with public health, emergency planning and working with the American Cancer Society. Dr. David Tapscott interviewed with Erin and was also impressed with her leadership skills, as health inspector, and as a previous restaurant owner. He feels that she is a good candidate for the new Health Director position. Jamie Terry also interviewed Erin and noticed her experience with MAVEN, dealing with the schools, Town of Westborough business, and contact tracing. Michael has mentioned in the past that he was very impressed with her work with the town of Westborough during this pandemic, as Westborough was one of the first towns hit by COVID-19 in Massachusetts. Dr. Joann Lindenmayer mentioned that it would be wonderful if Erin could work on finding external funding, such as Green Communities, MVP and Recycling grants.
