Discussion of Director's Report which is attached.

Numerous activities were sponsored and enjoyed in April and early May such as Cinco de Mayo, May 4th (May the fourth be with you) special gifts of chocolate dipped strawberries and carnations for Mother's Day.

Outdoor crafts are being introduced as weather improves with succulent planting, knitting group, birdhouse painting and more. Pictionary and Parking Lot Bingo will be enjoyed in small groups and on Facebook. More crafts are being planned for the summer months.

New Business:

Director announced scaling up of one-on-one appointments on Monday, Wednesday and Friday for assisting seniors starting June 1.

Discussion underway as to how to handle transition from curbside pick up and delivery of meals to return to pre Covid status. How to continue to serve those whom we have helped over the past year but who can't come to the center. A survey of Uxbridge seniors who currently are served through the center's meal program will be prepared to discover innovative ways to serve our seniors best. This will be designed, distributed and processed as soon as possible.

Next meeting June 8 at 4 PM is the Annual Meeting of the Council on Aging.

Respectfully,

Edwina Porter, Chair
