The Committee finds that the Town Budget was in order and the increase compared to FY2022 primarily resulted from the Classification and Compensation Study indicating the Town was below market on key positions. Additionally, we are still sufficiently under our levy to preserve the Town’s credit capacity.

ARTICLE 4: WASTEWATER ENTERPRISE FUND BUDGET

To see if the Town will vote to raise and appropriate, and/or transfer from available funds, or otherwise provide a sum or sums of money for the salaries, expenses, and debt service of the Wastewater Enterprise

Fund for the ensuing fiscal year, such sums of money to be offset by revenues of the Wastewater Enterprise Fund received during fiscal year 2023 (FY23), or take any other action related thereto.

SPONSOR: Town Manager

COMMENTARY: The Wastewater Enterprise Fund is based upon the collection of sewer charges to billing units and is entirely self-supporting. Benefit charges for departmental employees are paid from the general fund and reimbursed by a charge against wastewater departmental revenue. The FY2023 Wastewater Enterprise Budget shows an increase of \$412,058 or 11.5% from FY2022 (excluding special purpose articles).

MOTION: *Move that the sum of \$3,991,509 be appropriated to the FY2023 Wastewater Enterprise Fund Account to be expended as follows Salaries: \$898,548.00 and Expenses: \$3,092,961; for the respective purposes set forth in the warrant.*

Vote required for passage: simple majority

FINANCE COMMITTEE RECOMMENDATION: Favorable Action (3-1-0)

The Committee finds that although there was an increase of 11% this year, this was a result of the Treatment Plant going fully online, resulting in a multitude of regulatory requirements that now need to be met and completed. Unfavorable Action – The dissenting vote believes that long-term capital planning needs to cover more costs and that reserve funds exist that should be tapped before rate increases when unexpected mandates appear.

BOARD OF SELECTMEN RECOMMENDATION: Favorable Action (5-0-0)

ARTICLE 5: WATER ENTERPRISE FUND BUDGET

To see if the Town will vote to raise and appropriate, and/or transfer from available funds, or otherwise provide a sum or sums of money for the salaries, expenses, and debt service of the Water Enterprise Fund for the ensuing fiscal year, such sums of money to be offset by revenues of the Water Enterprise Fund received during fiscal year 2023 (FY23), or take any other action related thereto.

SPONSOR: Town Manager

COMMENTARY: The Water Enterprise Fund is based upon the collection of water charges to billing units and is entirely self-supporting. Debt, fuel, and benefit charges for departmental employees are paid from the general fund, and reimbursed by a charge against water departmental revenue. The FY2023 Water Enterprise Budget shows an increase of \$118,817 or 5.7% over FY2022 operating budget (excluding special articles).

MOTION: *Move that the sum of \$2,196,706 be appropriated to the FY2023 Water Department Enterprise Fund Account to be expended as follows: Salaries: \$762,396 and Expenses: \$1,434,310; for the respective purposes set forth in the warrant.*

Vote required for passage: simple majority

ARTICLE 6: CABLE PEG ACCESS TELEVISION ENTERPRISE FUND BUDGET

To see if the Town will vote to appropriate a sum or sums of money for the salaries and expenses of the Community Access Television budget for the ensuing fiscal year, such sums of money to be offset by revenues received during fiscal year 2023 (FY23) by the Cable PEG Access Enterprise Fund, or take any other action related thereto.

SPONSOR: Town Manager

COMMENTARY: The Community Access Television budget is funded by charges unrelated to the tax levy. Benefit charges for departmental employees are paid from the general fund, and reimbursed by a charge against departmental revenue. The FY2023 Cable PEG access operating budget shows an increase of \$47,204.03 or 2.4% over FY2022.

MOTION: *Move that the sum of \$197,986.65 as set forth in the column ("FY2023 Town Manager Budget"), be appropriated to the Community Access Television Account to be expended for the respective purposes set forth, with each item being considered a separate appropriation.*

Vote required for passage: simple majority

FINANCE COMMITTEE RECOMMENDATION: Favorable Action (4-0-0)

The Committee finds that the amounts are very well justified. The increase was 2% which is reasonable. The Committee would also note all the great work done under this Fund, especially since the advent of COVID19, recording all committee and board meetings, as well as broadcasting all the sporting events for the Town.

BOARD OF SELECTMEN RECOMMENDATION: Favorable Action (5-0-0)

ARTICLE 7: REVOLVING FUND ACCOUNTS

To see if the Town will vote to appropriate funds for maintenance and repair of town roads as recommended by the Town Manager in conjunction with the Capital Planning Committee, or take any other action related thereto.

SPONSOR: DPW Director

COMMENTARY: This request is a continuation of the proposal which began at the Fall 2017 Town Meeting. This proposal will continue to utilize a large portion of that capacity to spend funds annually via a warrant article, for the care and condition of town roads.

MOTION: *Move that the Town vote to raise and appropriate \$532,400 for the purpose of care and conditioning of Town roads.*

Vote required for passage: simple majority

MOTION: *Move that the Town vote to appropriate the sum of \$1,734,217 for the purchase of departmental projects in the table contained in the Town Meeting Report, and to meet said appropriation, transfer the sum of \$1,734,217 from the Capital Stabilization Fund with the funding source for this item to be an appropriation from the General Stabilization Fund; each item being considered a separate appropriation to be carried until said appropriation is moved via Spring Annual Town Meeting action or exhausted.*
