### **Litigation Summary**

In calendar year 2009, Louison, Costello, Condon and Pfaff, LLP filed appearances on behalf of the Town in pending court proceedings, provided legal advice and opinions to the Board of Selectmen, Town Manager and other Town officers, boards and agencies on matters relating to municipal contracts/agreements, leases/real estate, zoning/building code enforcement, tax assessment and tax collection, personnel administration/employment issues, zoning variance/special permit proceedings and other general legal issues.

A summary of the pending and resolved litigation in which the Town has been engaged from January, 2009 to the present is set forth below.

### Baker v. Town of Uxbridge/Zoning Board of Appeals/Town Clerk Worcester Superior Court C.A. No. 03-2029B

This case involves a Petition for Certiorari pursuant to G.L. c. 249, §4 and a request for declaratory relief from a decision of the Town Clerk and the Board of Appeals denying the plaintiff's application for a constructive grant of variance. Plaintiffs claim they are entitled to a constructive grant of the variance as a matter of law. The parties are currently in the process of drafting and filing Cross Motions for Summary Judgment which are due on March 15, 2010.

### Desruisseaux, et al. v. Zoning Board of Appeals (Recently Closed)

### Uxbridge District Court C.A. No. CV08650002

This is a property owners' appeal pursuant to G.L. c. 40A, §17 of a decision by the Town of Uxbridge Zoning Board of Appeals denying their application for a Special Permit seeking permission to construct a fuel service station with 4,800 square feet of retail store and car wash on property located at 486 Douglas Street in Uxbridge. The Complaint was filed with the Uxbridge District Court on January 7, 2008. The Court dismissed this action by stipulation of the parties on January 16, 2009.

### Down East Realty, LLC v. Town of <u>Uxbridge</u>

### Worcester Superior Court C.A. 2006-2423-A

This is an appeal of the Fire Chief's order denying the plaintiff's application for a blasting permit in connection with the construction of water lines for a residential subdivision. The denial was based on a Board of Health Regulation that places an indefinite moratorium on blasting within a 3000 foot radius of a hazardous waste release. The appeal also asserts a challenge to the validity of the Board of Health's regulation. On June 11, 2008, the planning Board issued a decision with regard to this property which renders the blasting unnecessary. As a result, this action was dismissed by agreement of the parties and a Stipulation of Dismissal was filed on May 8, 2009.

### Fred Hutnak Development v. Planning Board

Worcester Superior Court C.A. No. 04-285C

### Appeals Court Case No. 2006-P-0897

This is an appeal from the Planning Board's decision denying approval of a definitive subdivision for 'Cornfield Estates' located off of West Road. The parties filed an Agreement for Judgment in this matter on July 23, 2009.

### <u>Hurteau v. ZBA</u>

### Land Court Case No. MISC. 376279

This is an appeal from a decision of the Zoning Board of Appeals granting the application of Richard Hurteau for a variance to construct a single family home, barn and kennel on a parcel of land located on Quaker Street. The Board granted the variance, but conditioned its approval by prohibiting access to the property through an adjacent lot located in Millville, Massachusetts. The Plaintiff voluntarily dismissed this action on June 2, 2009 after amending his construction plans such that he no longer needs a variance.

### **Assessor's Report**

Assessment of property is the first step in the process of tax revenue collection for the Town of Uxbridge. The Assessment Division's function is to provide for the fair and equitable assessment of all taxable real and personal property. The Assessors trend the values each year so that the revaluations done every three years won't result in substantial changes. The Assessor must annually determine the tax

levy and obtain State approval of the tax rate so that bills can be issued in a timely manner.

The tax rate for FY 2009 was set at \$11.53 per thousand, \$1.06 increase per thousand from the FY 2008 rate. The total assessed value of all 5,908 properties and accounts for FY 2009 is \$1,665,143,912. The FY2009 average house in Uxbridge is valued at \$323,454. this is a 5.3 % de-

crease of \$18,298 from the FY 2008 value.

After five years with the Town of
Uxbridge former Principal Assessor David
Utakis retired in June 2009 we wish him all
the best in his retirement.

Respectfully submitted,
Paula M. Dumont, M.A.A.
Principal Assessor
Barbara Harris, Administrative Assessor

### **Conservation Commission**

The Conservation Commission is the governing body charged with the protection of Uxbridge's natural resources. The Commission also advises other municipal officials and boards on conservation issues. As required by law, every municipality in Massachusetts has a Conservation Commission. The enabling legislation that allows for the formation and operation of the Conservation Commission is called the Conservation Commission Act (MGL C.40 58c)

As the municipal focal point for environmental protection, Conservation Commissions were given responsibility in 1972 for administering the Massachusetts Wetlands Protection Act (MGL C.131 § 40). Under this Act, the Commission reviews applications to do work in and near wetlands, flood plains, banks, river front areas, beaches and surface waters. The Commis-

sion oversees approved projects in or near these resource areas and also carries out enforcement duties where the Wetlands Protection Act is being violated.

The Conservation Commission meets the first and third Monday of every month, at 7:00 P.M. in the Town Hall. Meetings are open to the public and all are invited and encouraged to attend. The Uxbridge Conservation Commission is a group of up to seven volunteers with a diverse background of skills and interests. The members of the Commission serve three-year terms, and are appointed by the Town Manager.

The Commission also undertakes the planning, acquisition and management of open space for passive use, creation of open space and recreation plans, and encouraging and monitoring conservation and agricultural preservation restrictions. The Conservation Commission has the authority to adopt rules and regulations for the use of conservation land. These regulations have the full force of law.

In FY 2009, the Commission deliberated on numerous applications for work in or near wetlands. During FY 2009, the Conservation Commission accomplished the following: reviewed 23 NOI (Notice of Intent) Plans including issuing Orders of Conditions for a variety of these projects; reviewed 15 Certificate of Compliance applications; reviewed 13 RDA's (Requests for Determination of Applicability) for various small or nonintrusive projects such as small home additions and paving of driveways; reviewed 5 applications for an Extension of the Order of Conditions; and reviewed 2 Emergency Certifications. Also, the Commission voted to allow hunting at Pout Pond in accordance with the Commonwealth of Massachusetts regulations. Hunting was previously allowed at Pout Pond with a special permit.

Project proposals were denied for failure to meet regulatory performance standards, lack of sufficient safe guards to protect wetlands, or lack of sufficient information to be reasonably assured that negative impacts to wetlands would not occur.

The Commission is thankful for the many volunteers who help us manage our most-visited conservation areas, Pout Pond

reviews and endorses or denies plans requiring a determination that the Subdivision Control Law does not apply, also known as Approval Not Required or ANR Plans. The Planning Board also reviews Preliminary Subdivision Plans, Definitive Subdivision Plans and certain Special Permit proposals. The Planning Board also reviews and issues reports regarding various proposals to Town Meeting. The Planning Board facilitates various planning efforts and work toward coordinated and sustainable development patterns.

The Planning Board meets the second and fourth Wednesday of every month, at 7:00 P.M. in the Town Hall. Meetings are open to the public and all are invited and encouraged to attend.

During FY 2009, which ended on June 30, 2009, the Planning Board consisted of the following 5 members: Charles Lutton, Chairman; Debbie Bernier, Vice Chair; Peter Petrillo; Barry Desruisseaux, and Stanley Stefanick. On November 20, 2009, we lost a devoted member of the community with the untimely passing of Stanley Stefanick. Stan served the Uxbridge Community and the Planning Board for more than 15 years.

During FY 2009, the Planning Board accomplished the following: reviewed 5 ANR (Approval Not Required) Plans; reviewed 3 Modifications of a Definitive Plan (extending the time for completion of the projects) reviewed 4 Special Permits Plans.

Respectfully submitted, Uxbridge Planning Board

### **Zoning Board of Appeals**

The Zoning Board of Appeals hears petitions from landowners seeking relief from the Town of Uxbridge's Zoning Bylaws. The ZBA may render decisions upon applications for variances and certain special permits, or petitions regarding changes to pre-existing structures and uses that may not conform to the current bylaws, all pursuant to Massachusetts General Laws Chapter 40A. The Board may also hear appeals from decisions of the Building Inspector, the Zoning Enforcement Officer, or the Planning Board. The Board also reviews affordable housing develop-

ment projects submitted under M.G.L. Chapter 40B.

The Zoning Board of Appeals meets the first Wednesday of each month at 7:00 P.M. in the Board of Selectmen's Meeting Room, in the Uxbridge Town Hall, 21 South Main Street, Uxbridge, MA.

During FY 2009, the Zoning Board of Appeals consisted of the following members: Mark Wickstrom who served as Chairman, Stephen O'Connell, Vice Chairman, Joseph Frisk, Secretary/Clerk, and Christopher Walkiewicz, as Associate Member.

During FY 2009, the Zoning Board of Appeals heard 15 cases. 7 were requests for Variances; (out of those requests 1 application was Denied, 5 were granted, 1 was withdrawn). There were 6 requests for Special Permits, all of which were granted. There was 1 appeal of a Decision from the Building/Zoning Enforcement Officer; 1 request for Determination by the ZBA.

Zoning Bylaw review; The Zoning Board of Appeals continued to work on revising the Zoning Bylaws during FY 2009. A proposed amendment to the Zoning Bylaws was put forward by the Board at the Spring Annual Town Meeting in May 2009, which did not attain a 2/3 majority vote.

Respectfully submitted, Uxbridge Zoning Board of Appeals

### **Animal Control Division**

July 1, 2008 to June 30, 2009, was the second fiscal year that the animal control officer was a full time regional position. The services are shared with the town of Douglas and Mendon and are under the control of the Uxbridge, Douglas and Mendon Police.

Animal control consists of 1 full time Officer and at the current time 1 per diem officer. Animal control responded to more than 527 complaints relative to dog issues in Uxbridge alone. That is 54 more than last fiscal year. During the same period responses were made relative to road kill. Other animal calls including Animal Cruelty cases, wildlife complaints, illegal animal releases and suspicious rabies calls in assistance to the Uxbridge Board of Health.

(who is the agency of responsibility for rabies issues)

The town of Uxbridge has adopted at the May 2004 town meeting a new animal control bylaw with slight revisions in May of 2005. The bylaw is posted on the Uxbridge Police Website at www.uxbridgepolice.com.

I wish to thank all the members of the Uxbridge Police for their assistance this year, and also the town clerk for their collection of fines and licensing fees.

In the spring of 2009 a rabies clinic was held in which over 200 dogs and cats were vaccinated. It was done in co-operation with the VCA Blackstone Valley Veterinary Hospital. We hope to have another in the spring of 2010.

Respectfully submitted, Joyce Gareri, ACO

### Uxbridge Fire Department

The Fire Department is the service provider for the community responsible for fire suppression, rescue and emergency medical services. Personnel also provide fire prevention services through plan review, inspections, and participation in the planning process in cooperation with the Building Inspector and Planning Department and public education through school and community programs. Members include 11 full-time Firefighter/EMTs and 30 "on-call" members operating from three stations. We provide advanced life support (ALS) ambulance service with two ambulances serving the town.

This department is proud to report achievement of a major strategic goal through implementation of advanced life support ambulance service. The unfortunate closing of Milford Hospital's Paramedic Service advanced this project timeline by one year. The emergency medical technicians from our department stepped up to the plate and attained advanced level training and certification. The department officers developed a plan and worked diligently to assemble the necessary policies, procedures, agreements and materials necessary to activate this level of care. Our neighboring communities and

in town fluctuated between 62 and 84% based on surveys done by community service people. This was still at times lower than the state average and well below the national average.

Traffic Enforcement is a serious concern for your Police Department. 80% of traffic fatalities occur within 25 miles of home and at a speed less than 40 miles an hour. Your air bag inflates up to 200 mph and can seriously injure unbelted drivers and passengers. Speeding impacts your wallet. Driving 20 mph over the speed limit is a \$175 ticket, plus a surcharge on your car insurance for up to six years.

In looking at victimization in town the statistics show that the age group age 35 to 54 has the largest potential to be victims of crime in Uxbridge. Of all age groups

they comprise 43.2% of victims. That is not to say that there is an inordinately large number of crimes in Uxbridge nor does it differentiate between violent crimes and or property crimes. Uxbridge is a very safe community however as we have experience in fiscal year 2009, even communities like Uxbridge have violent crimes. Some gang activity started to appear and strong intervention efforts were begun to quell the activity to the largest extent possible. The best way to avoid being a victim is to use common sense techniques with regard to crime prevention. Officers are ready to assist you in many ways in crime prevention methods. Feel free to call the department and inquire about trainings, and speaking engagements that you would like us to make presentations at. The Personnel at the Uxbridge Police Department are always willing to help keep Uxbridge a safe community in which to work live and play.

Many of the grants awarded to the Town last year both State and Federal are listed below.

- COMMUNITY POLICING GRANT
- GOVERNORS HIGHWAY SAFETY GRANT

### HOMELAND SECURITY GRANTS

- OCEAN STATE COMMUNITY FOUNDA-TION GRANTS
- TRAINING GRANTS FROM THE INTER-NATIONAL ASSOCIATION OF CHIEFS OF POLICE
- DONATIONS FROM MANY LOCAL ORGANIZATIONS

As always the Uxbridge Police Department would like to thank the Uxbridge residents and community businesses for their continued contributions, which have helped in supplementing additional funds for our many programs.

This was the 19th year for the Black-stone Valley Drug Task Force. It has received funding from the Executive Office of Public Safety with a local match over its 19-year period. The funding has allowed the Drug Task Force to continue to focus on high profile drug cases and other serious crimes. Funding in fiscal year 2009 dried up and 2010 looks no more promising. The task force continues to work based on investment by the local member communities and the DAs Office.

Training remains an important issue in the Uxbridge Police Department and all officers were given the needed in service training. Many officers and dispatchers also were given specialized training in their respective areas of expertise.

As we look forward to the future it is important to note that the staffing level that we currently have has not grown with the times. Growth of the town, and the crime and increased calls for service that come with that growth, has not stayed the same but has in fact increased. If you get a moment please seek out the police departments 5 year plan entitled "A Community Plan for a Safer Future, available on the Uxbridge Police website. The plan has not changed over the years basically because fiscal constraints continue to hinder any advancement. These constraints have continues and continue to worsen in FY10.

The Police Department has its own Web page; this can be viewed by entering www. Uxbridgepolice.com The Web page offers information on the Police Department and also has links to other interesting Federal

receives funding from cable subscribers through Charter Communications to fund the three channels of PEG Access. The three channels are for Public, Education and Government use. Uxbridge Community Access Television produces programming for approximately 4,000 subscribers in the town.

In the fiscal year of 2009, UCAT requested a budget of \$142,103 that was voted and accepted by town meeting in the spring. The budget was use to purchase equipment for the three entities of PEG Access and operating expenses including salaries, rent and other related expenses.

The equipment purchased will be utilized by volunteer producers, staff and students in the school district to produce programming for Public Access Television.

Equipment purchased in this fiscal year included an upgraded playback server for Channel 12, a live streaming system that allows for the community to view live coverage of government meetings through out website, uxbridgetv.org, and a continuous effort to upgrade and replace older equipment.

We also add another full time staff member to help with coverage of government meetings and assist in community programming. With this position we plan on expanding our coverage of board meetings on Channel 11 along with producing more public and school related events.

Students at Uxbridge High School will be able to use this equipment to help produce a bi-weekly news/magazine program, help cover local sporting events and be able to incorporate into the curriculum through the Technology Department.

The public is invited to participate in training workshops to learn about Public Access Television and be trained on the equipment. In the workshops volunteers will learn all aspects of television production including studio production, portable camera operation and non-linear editing.

Uxbridge Community Access Television is available to the residents of Uxbridge to help produce programming for the Public, Education or Government channels in Uxbridge. Classes are held throughout the year for training on the equipment that is available to the community. If you are

interested on learning more about Public Access Television in Uxbridge or you might have an idea for a program and you just need too know how to go about getting that program on UCTV, please contact the Program Coordinator at 508-498-9473 or email at cable.access@uxbridge-ma.gov.

### Department of Public Works

The mission of the Department of L Public Works (DPW) is to maintain the Town's water, wastewater, traffic systems and recreational facilities for the protection of the public's safety and improvement of the quality of life for the citizens of Uxbridge. The DPW is responsible for all highway construction and maintenance projects, winter snow & ice operations, maintenance of the commons, parks, playgrounds and recreation fields, school grounds maintenance, water and wastewater facility operations, and infrastructure maintenance, as well as landfill monitoring and maintenance. Please refer to the "Department Budget Narratives" provided since FY09 to accompany the Department Budget requests.

The Department of Public Works, operating under the general supervision of the Town Manager, was comprised of the Water and Sewer Operations Manager, Highway Supervisor, two (2) Administrative Staff and seventeen (17) Union Employees. During this period, the DPW maintained open positions for the Superintendent and Assistant Superintendent.

The Department looks forward to meeting the challenges that face our growing community however, I caution residents that further budget reductions will only defer much needed infrastructure maintenance resulting in long term higher costs for repairs and reconstruction. Additionally, increased budget shortfalls will negatively impact the level of service currently provided by DPW staff.

For the past few years, the community has seen the negative impacts relative to the absence of the Capital Improvement

Program, the Bridge and Culvert Rehabilitation Program and most noticeably the \$0 funding of the Road Improvement Program. The lack of these programs will directly result in escalating construction and replacement costs in the foreseeable future and our inability to maintain our infrastructure adequately.

The Town's road improvement program dictates approximately \$700,000 be spent annually to maintain the current level of service. In a typical year, Chapter 90 State Aid is in the range of \$350,000 requiring the Town to subsidize the balance of \$350,000. Over the years, continuous cuts have been made and ultimately the Town's portion of the budget was decimated to zero. As maintenance monies are deferred, road reconstruction costs skyrocket and simple maintenance projects become full scale reconstruction projects. Chapter 90 State funds have been the only source of funds to maintain the Town's more than 95 miles of public roads. Due to the open Superintendent and Assistant Superintendent positions, minimal funds were expended during this fiscal year. Encumbered funds were used for continued engineering design services associated with the Route 122 Reconstruction project and the Shim and Stone Seal project located on East Hartford Avenue.

Capital improvement projects related only to the enterprise fund activities included the continuation of the new High Street water tank construction and installation of the new water mains that began in FY08.

Please refer to the Town Meeting minutes which note various items and action taken for the Department.

We invite the public to view all Division's equipment and building at their convenience. We take this opportunity to thank all Town Departments that have assisted us in meeting our work schedules and goals for this year.

### WASTEWATER DIVISION

The Wastewater Division as of July 1, 2009, has 2307 residential connections, 98 commercial connections, and no industrial connections.

The Uxbridge Senior Center is a certified SMOC fuel assistance in-take site for local residents in need of assistance with their heating bills. Last winter, 185 households received fuel assistance through our office at the Senior Center. In total, our community fuel assistance benefit amounted to \$195,366.08; with an average household receiving \$985.68.

The Senior Center serves as a very important link between the community and local governmental departments. We work in partnership with the Police Department, Fire Department, the DPW, Board of Health, Veteran's Agent, the Assessors Office, Town Clerk and the Treasurer/Collector's Office.

This report marks the 24th year of our partnership with Tri-Valley, Inc., a private non-profit agency providing information, referrals and care management services in Central Massachusetts. Tri Valley, Inc., is administered by an Executive Director and a salaried staff and is assisted by over 900 volunteers. The Town of Uxbridge received \$140,912.60 of service from Tri Valley in FY 09. Our Senior Center was deemed Tri Valley's number one meal site with the highest attendance at our congregate meal program.

The Senior Citizen Property Tax Work-Off Program is administered through the Senior Center. The program allows fifteen (15) eligible senior citizens to work off \$500 from their property tax bills. You must be 60 years of age or older, the legal owner of your home, and a local taxpayer. The Senior Center served 75 Uxbridge residents by way of our free AARP Income Tax Help this tax season. The total amount of savings earned from the Circuit Breaker tax credit for Uxbridge residents for FY 09 is \$28,600. It is estimated that 44 of the 75 individuals served received a minimum benefit of \$650 from their Circuit Breaker state tax filing. The Circuit Breaker Tax Credit is for senior homeowners and

renters who meet income limits and other eligibility requirements.

To The Givers: The Senior Center is the product of many helping hands and steadfast hearts. We are indebted to the members of our community, volunteers, staff, medical drivers, and everyone connected with our center. We owe a special note of thanks to Brenda Mateer, Good Works Coordinator at WalMart of Northbridge and Robert Rolandelli, Wal-Mart Store Manager for their generous donation of a 52" plasma, flat screen TV. We are grateful for the Salmon family and the Assisted Living Residences at Whitney Place in Northbridge for their gift of a Nintendo Wii Game System. We have had a lot of fun with our new upgraded TV and have made several new young friends with our Wii. We extend a very big "THANK YOU" to the Brownies, Girl Scouts, Boy Scouts, The Faith Fellowship Church, The Nazarene Church, St. Mary's Parish, Hannaford Supermarket, Uxbridge High School Student Council members, the National Honor Society, the music departments at Taft, Whitin and the High School, The People First Food Pantry, and St. Vincent de Paul. Thank you, Chief Albin, for taping so many of our events for cable access this year.

We remain indebted to the Seniors of Uxbridge who honor us daily by allowing us into their lives. Thank you for your courage, for your grace, and for teaching us so much about life and living.

### **Insurance Advisory Committee**

The Insurance Advisory Committee (IAC) is a state-legislated Committee that consists of representatives from each of the employee bargaining units, management and municipal/school retirees. The purpose of the Committee is to discuss and recommend proposed initiatives related to employee/retiree insurance benefits and make recommendations to the Board of Selectmen and the Town Manager.

The IAC met several times over the year and made recommendations that have since been adopted. Our health providers, Fallon and Blue Cross, agreed to offer lower cost voluntary health insurance plans with higher deductibles and copayments. The Town agreed to reimburse the increased costs as an incentive to employees, which in its first year, showed solid gains and resulted in lowered overall insurance costs. A 100% employee/retiree dental plan was also initiated, resolving an issue that had existed for a number of years.

Finally, the IAC endorsed the adoption of MGL Chapter 32B, Section 18, which mandates that all Medicare eligible retirees be on a Medicare supplemental plan. The IAC requested that the Town pay for 80% of the retirees Medicare Part B premium as a condition of the endorsement. An analysis of the request determined that the long term benefit of the acceptance outweighed the cost of the IAC's request. The Board of Selectmen, and ultimately Town Meeting supported the recommendation, and the statute was adopted at the May 13th, 2009 Town Meeting.

cemetery records on our laptop. We are developing a website with cemetery information including location, gravestones and genealogy information. This laptop was purchased last year using a grant from Wal\*Mart.

The two major projects the committee continues to work on are documenting and recording our town's cemeteries. Jill Kenrick is documenting the deed history of each cemetery from where it is first mentioned in the deed books of Worcester County to the present land owners. She is also working on obtaining maps of the cemeteries as they were originally laid out by the land owners. Sheryl Romasco is working on recording information about the cemeteries on a Form E - Burial Grounds for the Massachusetts Historical Society. These two projects will ensure our cemeteries will be protected now and in the future.

The Uxbridge Historic Cemetery Committee is fortunate to have many friends, volunteers and abutters who assist us in the care and maintenance of cemeteries including: Albee Cemetery — Jill and Frank Kenrick; Aldrich — Buxton Cemetery — B. J.'s; Bassett and Daniels Cemeteries — Mark Anderson of Heritage Design; Buffum Cemetery — Mary Brundage and Cody Brundage; George Aldrich Cemetery — Cove Insurance Agency; Royal Farnum Cemetery — Domingos and Donna Sanchez; Hannah Seagrave Cemetery — Thomas and Janet Patnode; and the Tucker Cemetery — Uxbridge Rod and Gun Club.

Donations to the Cemetery Committee are always welcome and can be made at anytime. Please send to Uxbridge Historic Cemetery Committee, 21 South Main Street, Uxbridge, MA. 01569

### **Historical Commission**

The Uxbridge Historical Commission meets monthly on the third Tuesday of the month at 3:00pm in the Coronet John Farnum House. In an effort to reduce our cost of fuel, the Farnum House has been closed during the months of December, January, February and March. During this time the meetings have been held in the Town Hall.

In fiscal year 2008-2009 the Coronet John Farnum House has been opened to the public on numerous occasions. These include, to name a few, First Night, a visit with Santa, Heritage Weekend; Memorial Day, Uxbridge Newcomers Scarecrow Competition and Sundays during the months of July and August. Most open houses are overseen by members of the Uxbridge Historical Society who act as guides to interpret for the visitors the many articles of interest within the Farnum House. In addition the building has served as a meeting place for the Uxbridge Historical Society and the Historic Cemetery Committee.

During the year our meetings focused on many subjects some of which centered around the Waucantuck Mill project. Although the project presently is on hold, an agreement was made between the principal of the project that they would allocate

from our neighbors at UniBank enabled us to upgrade our technology for workshops.

This fall the Library offered a variety of programs of interest to the community with enthusiastic response from the community. This spring we plan to continue to offer new programs, including a health advocacy series with Dr Charles Lutton, genealogy workshops with Mike Potaski and "Virococha III" with adventurer Phil Buck.

In the Children's Room, we welcomed Uxbridge High School student Lindsey Centrella, who began volunteering in December, 2008. We participated in the Books & Beyond reading incentive program hosted by the Taft Elementary School, with the Friends of the Library providing funding for all prizes awarded. The Summer Reading Program was held from June-August again this year, all prizes and materials donated by the Friends of the Library. Bates & Ticknell performed at the summer kick-off ice cream social, sponsored by the Uxbridge Arts Council. The Children's Room staff was host to many Uxbridge Public School classroom visits throughout the year. Many children participated in our Drop-In Story time sessions. There were also Teen Movie Nights, gaming tournaments, pizza parties and craft times. On December 5th the Library opened its doors for First Night, where the Friends of the Library provided storytelling, crafts and snacks to children of all ages.

This year all rotting sills were replaced, repaired and painted. The air conditioning system in the Children's Room failed in early summer and we hope to have the new system in soon. A re-pointing project begins in May. A budget reduction of \$23,006 in Fall of 2009 will require the Library to file for a waiver with the Massachusetts Board of Library Commissioners next year to remain certified.

The Friends of the Library continue their invaluable support by organizing Book & Bake Sales, sponsoring programs, providing many of the discount museum passes and hosting the library's website. Volunteers have organized a delivery service to homebound library patrons. The Friends also purchased the new copier on the main

floor of the Library. We are grateful for their support and enthusiasm!

The Library Board of Trustees has made a tremendous commitment to preserve this institution for future generations. We thank the Town officials, administrative team and the Town's Finance Committee for their assistance this year. I thank the Library Board of Trustees, the Friends of the Library, the Uxbridge Library patrons and the wonderful staff of the Uxbridge Free Public Library for welcoming me into their community this year, especially Assistant Director Debra Young who has provided invaluable assistance during this transition. Her efforts are gratefully appreciated.

Respectfully submitted, Jane Granatino, MLIS Library Director

### **Recreation Commission**

s always the Recreation Commission would like to extend a heartfelt thank you to the town's Highway Department and Parks department. Without their support and efforts with maintaining the fields in town, they would not be in the good condition they are in now. We thank you for your hard work and dedication. The town fields are primarily used by the school teams and town leagues. The town leagues consist of baseball, basketball, flag football, soccer, and softball. These leagues also help in maintaining the fields that they use through volunteers and donations. The Uxbridge Lassie League and Uxbridge Baseball Association organize a spring clean up each year that helps maintain the fields they use. A very big thank you from the Recreation Commission is given to these volunteers, without them these leagues would not be viable. They also expend a good deal of money each year to keep the fields they use in a good and safe condition.

We on the Recreation Commission understand that we are in a difficult financial time; however we will be looking to increase our usable field space in the near future. There is a proposal from Gerry Lemire to remove gravel at the current Pout Pond field, and in return give back

even more field space than is currently there. This would definitely help with that request. I don't think the increase in space at Pout Pond would cause a large increase in the cost of upkeep. The field is currently not watered, and I don't believe that would change. The only increase would be the amount of time to cut the grass for the added field space. We ask the town to support a properly funded Parks Department.

Respectfully submitted, Chris Hanson, Chris Cota, Donna Roy, Scott Fitzgerald, Jeff Stewart, Jennifer Fiorentino, Bob Martellio

### **Board of Trustees** of Soldiers Memorials

The Town of Uxbridge elected its first Board of Trustees of Soldiers Memorials on May 19, 2009. The purpose of such trustees is to have charge and control of the construction of any such memorials and to have custody and care thereof after the construction is complete. In addition the trustees are responsible for the care, custody and control of all soldiers memorials in the town of Uxbridge.

The following residents were elected as trustees at the May 19, 2009 election: Donald Letourneau - 3 year term; Harry Romasco – 2 year term; Dennis Seely – 2 year term; Patrick Fettucia – 1 year term; David Moriarty – 1 year term. After the election, the Trustees elected Harry Romasco – Chairman; Dennis Seely – Vice-Chairman; and Patrick Fettucia – Secretary.

Prior to the formation of the Board of Trustees of Soldiers Memorials, these citizens along with Louis Bagaglio representing VFW Post 1385 and Ken Trajanowski, Veteran Service Director led the effort to construct the Post Vietnam War Memorial located on the Town Common.

The Committee was organized on January 21, 2008 and the following officers were elected: Harry A. Romasco — Chairman, Donald Letourneau — Vice Chairman; Dennis Seely — Treasurer; Dave Moriarty — Secretary; Lousi Bagaglio — Director; Ken Trajanowski — Director.

The sole purpose of the committee was to construct a memorial on the Town Com-

As the new Superintendent of Schools, I want to thank the School Committee for their hard work and support for the educational programs for our children and to the faculty and the administration for their continued dedication. I also want to thank the citizens of Uxbridge for their continued support of the Uxbridge Public Schools. Together we will continue to provide the best educational services possible within our available resources.

There were many changes that occurred in the Uxbridge Public Schools administration during the course of the year. On February 21, 2009, we lost a very devoted educator and community member with the untimely passing of Superintendent/Principal Mr. Daniel Stefanilo. Dan served for more than 15 years in the Uxbridge Public Schools as a teacher, assistant principal, principal, and superintendent. He always put "kids first" and devoted countless hours serving the children and the families of Uxbridge, During Dan's time as Superintendent, he always emphasized the importance of working together as a team and assembled a strong administrative team

### Superintendent's Report

that will continue with that philosophy.

Due to budget constraints, Uxbridge Public Schools started the year with a reorganization of the administration team. The Superintendent and High School Principal positions were combined and held by Mr. Stefanilo; Dr. Howard Boyaj assumed the roles of Curriculum Director and Associate Principal at the High School; and George Zini held the position of Associate Principal for Student Services. After the passing of Mr. Stefanilo, Dr. Howard Boyaj was appointed Interim Superintendent and George Zini was appointed as Principal for the remainder of the school year.

Serving 2028 students, Uxbridge Public Schools continues to follow its mission of providing challenging educational programs and services to meet the diverse needs of all students in a safe, supportive environment and, in partnership with the community, prepare students to become competent, creative and contributing citizens.

Throughout the year the staff worked to accomplish the goals as outlined in the Strategic Plan. These goals focused on areas of Curriculum, Instruction, and Assessment, School Climate and Culture, Technology, and Family and Community. We have continued to apply rigorous and comprehensive curriculum and appropriate instructional techniques in order to challenge students to discover and develop their strengths, talents, and interests for maximum student achievement. In addition, we continually embrace the involvement of our parents and our community members, as they are a large component in our student's success.

I would like to thank Mr. Peter Baghdasarian for his many years of service and devotion to the School Committee. I would also like to welcome our newest School Committee member Mr. William Robertson who was elected at the annual spring elections. Included in this report you will see information from each building which highlights new programs for the 2008-2009 school year as well as existing programs which we were able to provide for our students.

Respectfully submitted,
George Zini, Superintendent of Schools

### **School Committee**

Aschool committee must be responsive to its constituencies in governance, sensitive to the diverse needs of all learners, an advocate for students and learning before the people of the community and, as such, a vigorous ambassador for public education before all citizens.

### **Taft Elementary School**

Taft School houses approximately 626 students in Grades 1 – 4. Current administration includes Paula Montesi, Principal and Lori Fafard, Assistant Principal. There are 31 classroom teachers and additional support staff. Children receive a rich education which includes weekly art, music, physical education, computer, and library classes. Some of the programs and activities held throughout the year include:

### **Curriculum and Instruction Programs**

### StoryTown Reading

The <u>StoryTown</u> reading and language arts program, developed by Harcourt School Publishers, has been adopted for students in grades K-6 in Uxbridge Public Schools. <u>StoryTown</u> features an organized direct approach to teaching reading that is aligned with the Massachusetts State Curriculum Frameworks. The program emphasizes explicit, systematic instruction in the five essential components of reading that include phonemic awareness, phonics, vocabulary, fluency and comprehension.

The development of Harcourt's <u>StoryTown</u> is the result of extensive and confirmed research that is based on best instructional practice in the teaching of reading. Following are several key components of the program:

- A high-quality collection of classic and contemporary literature designed to foster a love of reading in school and at home;
- Three tiers of intervention strategies, targeted materials, and classroom management tools that match instruction to meet the different needs of students;
- Integrated language arts lessons planned to help students develop and practice writing forms, grammar, usage, mechanics, and spelling skills;
- A program of various assessments to ensure mastery or diagnosis of reading difficulties throughout the year.

#### Gifted and Talented Program

Thanks to a grant from the State Department of Education, a team of Uxbridge administrators, teachers, and parents met during the summer of 2008 to review, revise, and develop a plan for identifying and

on their field trip on December 4, 2008. Patriotic songs were sung under the direction of Mrs. D'Andrea at the hospital, and children ate a boxed lunch, and socialized with the disabled veterans.

### Metacomet Land Trust Awards Taft with Environmental Award

On Saturday, November 22, 2008, Ms. Fafard attended the Metacomet Land Trust's 20th Anniversary Celebration. Taft School was recognized for our contribution this past Earth Day and throughout the year. Our efforts to educate adults as well as students by planting trees and decorating shopping bags with Earth Day messages for Hannaford Supermarket demonstrated our commitment to bettering the environment and working in partnership with others.

### Mix It Up Day at Fourth Grade Lunch

Fourth grade students participated in a national effort on November 13, 2008, called Mix It Up at Lunch Day. Students were randomly assigned to different tables at lunch. This activity, sponsored by the Teaching Tolerance magazine is designed to break down barriers between groups of individuals. Children at each table were given a list of questions to discuss regarding bullying. The children had previously voluntarily signed an anti-bullying pledge. During the week, Mrs. Jansson, the computer teacher, conducted some mix-it-up activities in her computer classes; and Mrs. O'Donnell, Taft Librarian, read books about bullying. This was the second year for Mix It Up At Lunch and will become an annual event at Taft.

#### **Christmas Around the World**

During the month of December, 2008, second grade classes traveled to eight countries to learn what different people around the world do to celebrate the holiday season. Each classroom represented a country, from Australia to India to Russia. The children spent an hour in each location, got their passports stamped and located the country on the world map. They learned songs, enjoyed stories and did crafts from all these different cultures.

### Whitin Middle School

### **New Programs**

### **Community of Caring Program**

Community of Caring is a school wide program built around five core values that empower young people to be responsible and caring members of a community: Caring, Respect, Responsibility, Trust, and Family. These five values serve as a foundation and umbrella for Whitin activities and initiatives. There are over 20 Whitin faculty members who have offered to serve on the Community of Caring Committee. Whitin teacher, Nadine Clifford is the Chair of this Committee.

### Whitin Middle School Interscholastic Athletics

Whitin Middle School offers Interscholastic Athletic teams. With the addition of new spring sports the Whitin Middle School Interscholastic Athletics includes:

- · Cross Country (fall)
- Soccer (fall)
- · Field Hockey (fall)
- · Basketball (winter)
- Softball (spring)
- · Baseball (spring)
- · Track & Field (spring)

### **Key Three Comprehension Program**

The Key Three Routine is a program that is used to teach and practice comprehension strategies for middle school students. It is designed to emphasize three key skills to develop active reading and listening skills. The skills are stating main ideas, taking notes, and summarizing.

#### **Extracurricular Activities**

Whitin Middle School offers an extensive program of extracurricular clubs, after-school intramural activities, and athletic teams for all students in grades 5-8. The extracurricular program includes:

- · Student Council
- · Lego Robotics
- Yearbook
- · School Newspaper
- · Destination Imagination
- · Drama Club
- Bands
- Chorus

After-school intramural activities provide all students with opportunities to participate in group games such as basketball, softball, field hockey, indoor soccer, and volleyball. The interscholastic athletic program includes cross country, basketball, soccer, and field hockey.

### **Activity Highlights**

- A successful Cross-Country Season with a Team of More than 85 Runners
- A Wonderful Drama Production Lagooned: The Musical
- Two Musical Concerts including both Band and Chorus
- · Whitin Middle School Talent Show
- Appearance of Marching Band in the Memorial Day Parade
- Winners of the Grade 8 Debate (Jordan Abbot, Paige Lavallee, Michelle Paquette)
- The Annual National Geography Bee (Whitin Champion Wade O'Neil, Grade 8)
- Annual Grade 5 Spelling Bee (Winner Michael Lyons )

### **Existing Programs**

Whitin Middle School, with an enrollment of 650 students in grades 5-8, was selected as a "NELMS Spotlight School" in March 2004. Whitin Middle School was honored again with this award in 2007. Worcester Magazine (August 2004) featured Whitin "as a Middle School that is frequently recognized, although the community has a low per-pupil expenditure." The School's trademark is a positive environment and culture and a strong spirit of staff collegiality. The district offers an extensive staff development program that lays the foundation for teachers to implement best practices, such as standards-based education, differentiated instruction, and strategic writing. The Whitin School Improvement Plan, based on Turning Points 2000, has paved the way for smaller teaching teams, flexible scheduling, and parent involvement.

### Organization and Structure of Classes

- Grades 5-8 = 650 Students = Average Class Size of 24
- Flexible Class Schedule Each Grade Has its Own Schedule

#### **Holiday Party**

The Uxbridge High School Holiday Outreach Committee is in its 11th year. The Holiday Party, held on December 5, 2008, was a huge success. UHS students are the driving force behind this effort and do the majority of preparation and work. Over 150 students participated and 300 children and over 200 parents attended the party and enjoyed the activities and refreshments.

### **Academic Awards Recognition Dinner**

On February 8, 2009, fifty one seniors and juniors were recognized at the annual Academic Awards Dinner. Recognition is for students who have achieved honor roll status for eight consecutive marking periods. The ceremony took place at Blissful Meadows where Mr. Hurley Silbor, History teacher, was the guest speaker.

### **Crisis Response Team**

The Crisis Response Team continued its collaboration with the Uxbridge Police and Fire Departments and the District Crisis Team to solidify consistency in UPS Evacuation and Lockdown procedures. These safety drills were held during the school year.

#### International Fair

Students in Child Development worked with second graders on the annual International Fair to prepare international presentations and refreshments for the Uxbridge community.

### Uxbridge High School - Class of 2009

Txbridge High School saw 100 seniors graduate in the class of 2009. Eighty- seven percent of the graduates will be continuing their education at a two or a four year college; three percent plan to enroll in the military; and ten percent are entering the world of work. Our graduates enjoyed much success academically and in extra-curricular activities and we wish them all the best.

science/technology engineering part of the assessment on their first attempt. As for attaining advanced or proficient skill levels, 78 percent were in that range in math and 79 percent in English. By Federal statute all students must reach proficiency by 2014. The Class of 2009 was the sixth straight from Valley Tech to have 100 percent of its membership achieve competency determination on the MCAS.

Valley Tech also tied for seventh among Massachusetts district high schools for the highest graduation rate (97.2%). Valley Tech's dropout rate of 0.9 percent tied for 13th best in the state.

### NUMBERS PROVE SUCCESS

In an atmosphere of 21st Century rigor, the success of our student body is measured by 100% competency determination, high career placement rates and high college matriculation rates for our graduates. This in turn justifies our stakeholders' confidence that Valley Tech is succeeding in its mission to prepare the students of Blackstone Valley with a world class education.

The District's FY09 total operating budget was \$18,094,750. Chapter 70 Aid contributed \$6,462,753 and Minimum Contributions from the 13 member towns totaled \$7,306,124.

In the operating budget outside statemandated net school spending areas, the District budgeted \$273,452 for transportation costs, \$154,600 for acquisition of fixed assets and \$691,760 for retiree medical coverage. This was offset by \$783,849 in regional student transportation funds received from the Commonwealth. In addition to their state-required Minimum Contributions, the member towns unanimously supported the school's operating budget with shared assessments for operations, student transportation, asset acquisition, and retiree medical costs. This investment provided the fiscal support to respond to the diverse learning needs of a student population that grew by five percent over FY08 and again in FY09 and FY10.

In response to weakening economic

forecasts and lower than expected tax collections, the Commonwealth was forced to reduce the District's Chapter 70 allocation by \$759,526; however, those funds were completely restored with funding from ARRA (American Recovery & Reinvestment Act), also known as stimulus funds. Given the ongoing fiscal constraints and the likelihood of a continued economic slump, the District continues to search out greater efficiencies in its staffing patterns, supply purchases, technology upgrades, and contractual service requirements. Bolstered by prudent budget management practices, the District utilized an unreserved fund balance of \$250,000 to offset the towns' actual assessments. Additionally, the District secured funds to purchase vocational equipment and other fixed assets through private donations of \$8,300.

### PRECINCT 1, 2, 4 QUESTION 1 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

#### SUMMARY

This proposed law would reduce the state personal income tax rate to 2.65% for all categories of taxable income for the tax year beginning on or after January 1, 2009, and would eliminate the tax for all tax years beginning on or after January 1, 2010. The personal income tax applies to income received or gain realized by individuals and married couples, by estates of deceased persons, by certain trustees and other fiduciaries, by persons who are partners in and receive income from partnerships, by corporate trusts, and by persons who receive income as shareholders of "S corporations" as defined under federal tax law. The proposed law would not affect the tax due on income or gain realized in a tax year beginning before January 1, 2009. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would reduce the state personal income tax rate to 2.65% for the tax year beginning on January 1, 2009, and would eliminate the tax for all tax years beginning on or after January 1, 2010.

A NO VOTE would make no change in state income tax laws.

### QUESTION 2 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

#### SUMMARY

This proposed law would replace the criminal penalties for possession of one ounce or less of marijuana with a new system of civil penalties, to be enforced by issuing citations, and would exclude information regarding this civil offense from the state's

criminal record information system. Offenders age 18 or older would be subject to forfeiture of the marijuana plus a civil penalty of \$100. Offenders under the age of 18 would be subject to the same forfeiture and, if they complete a drug awareness program within one year of the offense, the same \$100 penalty. Offenders under 18 and their parents or legal guardian would be notified of the offense and the option for the offender to complete a drug awareness program developed by the state Department of Youth Services. Such programs would include ten hours of community service and at least four hours of instruction or group discussion concerning the use and abuse of marijuana and other drugs and emphasizing early detection and prevention of substance abuse. The penalty for offenders under 18 who fail to complete such a program within one year could be increased to as much as \$1,000, unless the offender showed an inability to pay, an inability to participate in such a program, or the unavailability of such a program. Such an offender's parents could also he held liable for the increased penalty. Failure by an offender under 17 to complete such a program could also be a basis for a delinquency proceeding. The Proposed law would define possession of one ounce or less of marijuana as including possession of one ounce or less of tetrahydrocannibinol ("THC"), or having metabolized products of marijuana or THC in one's body. Under the proposed law, possessing an ounce or less of marijuana could not be grounds for state or local government entities imposing any other penalty, sanction, or disqualification, such as denying student financial aid, public housing, public financial assistance including unemployment benefits, the right to operate a motor vehicle, or the opportunity to serve as a foster or adoptive parent. The proposed law would allow local ordinances or bylaws that prohibit the public used of marijuana, and would not affect existing laws, practices, or policies concerning operating a motor vehicle or taking other actions while under the influence of marijuana, unlawful possession of prescription

forms of marijuana, or selling, manufacturing, or trafficking in marijuana. The money received from the new civil penalties would go to the city or town where the offense occurred.

A YES VOTE would replace the criminal penalties for possession of one ounce or less of marijuana with a new system of civil penalties.

A NO VOTE would make no change in state criminal laws concerning possession of marijuana.

#### QUESTION 3 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

#### SUMMARY

This proposed law would prohibit any dog racing or racing meeting in Massachusetts where any form of betting or waging on the speed or ability of dogs occurs. The State Racing Commission would be prohibited from accepting or approving any application or request for racing dates for dog racing. Any person violating the proposed law could be required to pay a civil penalty of not less than \$20,000 to the Commission. The penalty would be used for the Commission's administrative purposes, subject to appropriation by the state Legislature. All existing parts of the chapter of the state's General Laws concerning dog and horse racing meetings would be interpreted as if they did not refer to dogs. These changes would take effect January 1, 2010. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would prohibit dog races on which betting or wagering occurs, effective January 1, 2010.

A NO VOTE would make no change in the laws governing dog racing.

### Fall Town Meeting Minutes - November 18, 2008

#### Fall Annual Town Meeting 18 November 2008

Pursuant to the foregoing Warrant, the inhabitants of the Town of Uxbridge, qualified to vote in the Town elections and in Town affairs, met in the High School Auditorium, in Precinct 2, in said Uxbridge, and transacted the following business on November 18, 2008:

### Quorum Requirement: 50 Voters Present: 615

Town Moderator Harold Klei called the Annual Fall Town Meeting to order at 7:25pm declaring the presence of a quorum and led the assembly in the Pledge of Allegiance to the flag.

The moderator announced the tellers of the evening and reviewed the rules for the meeting. He recognized and thanked Town Manager Jill Myers, who was in attendance for her last Town Meeting as Town Manager.

### ARTICLE 1: REPORTS

To hear the report of any outstanding committee and act thereon.

SPONSOR: Board of Selectmen (Town

Manager)

**MOTION:** No Motion

RECOMMENDATION OF THE FINANCE COMMITTEE: No Recommendation (5-0-0) RECOMMENDTION OF THE BOARD OF SELECTMEN: No Recommendation

REPORTS: Town Treasurer David Genereux (town goals of financial policy)

**VOTE NEEDED: N/A** 

**Motion:** I move that Article 41 be considered as the second article and Article 15 be considered as the third article.

Motion seconded. Moderator declares motion carried by majority vote.

### ARTICLE 41: TRANSFER TO STABILIZATION

To see if the Town will vote to transfer and appropriate a sum or sums, including so called Free Cash to the Stabilization Fund Account, or take any action relative thereto. **SPONSOR:** Board of Selectmen (Town Manager).

COMMENTARY: This article serves to transfer the entire FY 2008 Certified Free Cash to the Stabilization Fund. Stabilization Fund monies may be appropriated for any lawful purpose via 2/3rd's vote at any town meeting.

MOTION: I move that the sum of \$580,761 in Free Cash be transferred to the Stabilization Fund.

Motion seconded.

### RECOMMENDATION OF THE FINANCE COMMITTEE: Favorable (5-0-0)

The goal is to bring the Stabilization Fund to \$1.0 million. After transfers for Articles 4, 5 & 6, the balance in the Fund will be \$910,350

RECOMMENDATION OF THE BOARD OF SELECTMEN: Favorable (5-0-0)

**VOTE NEEDED:** Requires a 2/3rds vote to transfer to Stabilization per M.G.L. c.40 § 5B.

Moderator declared motion carried by 2/3 vote.

# ARTICLE 15: APPROPRIATION TO FUND FEASIBILITY STUDY TO DETERMINE COSTS ASSOCIATED WITH THE CONSTRUCTION OF A NEW HIGH SCHOOL AS REQUIRED BY THE MASSACHUSETTS SCHOOL BUILDING AUTHORITY

To see if the Town will vote to appropriate a sum of money, said sum to be expended under the direction of the School Building Committee, for the cost of architectural and/or engineering services for a feasibility study relating to the construction of a new high school on town-owned land at 246-270 Quaker Highway, for which feasibility study the Town may be eligible for a grant from the Massachusetts School Building Authority (the "MSBA"); the MSBA's grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any costs the Town incurs in connection with the feasibility study in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the Town; to determine whether this appropriation shall be raised by borrowing or otherwise; or to take any other action relative thereto.

**SPONSOR:** School Committee COMMENTARY: Of the 423 total applications received by the Massachusetts School Building Authority, Uxbridge was one that was moved to the Feasibility Study phase, a required step in the MSBA's process. In accordance with MSBA Regulation 963 Section 2.10 8(d), the purpose of the Feasibility Study is to investigate potential options and solutions, including cost estimates for each, for the deficiencies and issues identified in the application. The Feasibility Study shall include options for new construction, renovations of existing buildings, reallocation of educational programming within existing facilities, renting additional facilities, and "no-build" or do nothing option. The article is an "up-to" or not to exceed amount to be expended by the Uxbridge School Building Committee. The final cost of this Feasibility Study will be reimbursed in accordance with the MSBA's reimbursement program. At a meeting held on September 9, 2008, the School Committee voted unanimously to include this article for this MSBA required "next step".

MOTION: I move That the Town appropriate the sum of four hundred, sixty-five thousand (\$465,000) dollars for purposes of conducting a feasibility study to understand the extent of facility and programming deficiencies at the Uxbridge High School, located at 62 Capron Street and to explore the formulation of a solution to those deficiencies, said sum to be expended under the direction of the School Building Committee, and to meet said appropriation the Treasurer, with the approval of the Board of Selectmen is authorized to borrow said sum under M.G.L. Chapter 44, G.L. c. 70B, or any other enabling authority; that the Town acknowledges that the Massachusetts School Building Authority ("MSBA") grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any costs the Town incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the Town, and that the amount of borrowing authorized pursuant to this vote shall be

### RECOMMENDATION OF THE FINANCE COMMITTEE: Favorable (5-0-0)

The budget amendments strive to clear up problems with fuel, Medicare and chemical costs in the enterprise accounts. Funding will come from the retained earnings of these activities. Retained earnings in the Sewer, Water and Ambulance accounts, respectively, are \$249,699, \$856,814 and \$198,510.

### RECOMMENDATION OF THE BOARD OF SELECTMEN: Favorable (5-0-0)

VOTE NEEDED: Requires a simple majority vote provided none of the money is coming from Stabilization. A transfer from Stabilization requires a 2/3rds majority vote. With no money coming from Stabilization, only a simple majority is needed to carry. Moderator declares motion carries by majority vote.

### ARTICLE 3: FY09 INTER/INTRA DEPARTMENTAL TRANSFERS

To see if the Town will vote to transfer and appropriate from available funds, including funds previously appropriated to other uses or so called "free cash" and retained earnings, or to raise a sum or sums of money to appropriate to accounts and for purposes to be specified at the Fall Town Meeting, or take any action relative thereto.

**SPONSOR:** Board of Selectmen (Town Manager)

**COMMENTARY:** The purpose of this article is to transfer funds within department bud-

gets or from one department to another. Per MGL, transfers between individual municipal budgets require town meeting action.

MOTION: I move that the Town vote to transfer and appropriate the amounts as stated in the following chart for any purpose for which funds may be expended from the latter accounts, each item being considered a separate appropriation for FY09.

### RECOMMENDATION OF THE FINANCE COMMITTEE: Favorable (5-0-0)

The transfer realigns the budget in the Conservation account and restores funds in the Reserve Fund balance.

### RECOMMENDATION OF THE BOARD OF SELECTMEN: Favorable (5-0-0)

VOTE NEEDED: Requires a simple majority vote provided none of the money is coming from Stabilization. A transfer from Stabilization requires a 2/3rds vote. With no money coming from stabilization, only a simple majority is needed to carry. Moderator declares motion carries by majority vote.

### ARTICLE 4: APPROPRIATIONS FOR COLLECTIVE BARGAINING AGREEMENT(S)

To see if the Town will vote to transfer and appropriate from free cash or from funds available in the treasury, including funds previously appropriated to other purposes, a sum or sums to fund the cost items of one or more collective bargaining agree-

ments between the Town and its employees, or take any action relative thereto or thereon.

**SPONSOR**: Board of Selectmen (Town Manager)

MOTION: I move that the Town vote to transfer and to appropriate the sum of \$198,070 from the Stabilization Fund (2500-000-3970-0000-0000-0000-0-0000-0-0) to the miscellaneous FY09 salary and expense accounts, the allocation of amounts to be transferred to each such account to be determined by the Town Accountant, for the purpose of funding the cost items implementing the terms of a collective bargaining agreement with a term beginning July 1, 2006 and expiring June 30, 2009, between the Town and Local 123 of the MA Coalition of Police, AFL-CIO, as exclusive bargaining representative of the bargaining unit.

Motion seconded.

### RECOMMENDATION OF THE FINANCE

**COMMITTEE**: Favorable: (4-1-0)

This article funds a three year contract with the Police Union for the period July 2006 to June 2009.

### RECOMMENDATION OF THE BOARD OF SELECTMEN: Favorable (5-0-0)

VOTE NEEDED: A transfer from Stabiliza-

tion requires a 2/3rds vote.

Moderator declares motion carries by 2/3 vote.

### ARTICLE 5: FUNDING REQUEST TO RETROFIT A FOREST FIRE TRUCK

To see if the Town will vote to raise and appropriate or transfer from available funds, including so called "free cash," the sum of \$4,000.00 to appropriate for the purpose of retrofitting a forest fire truck for the Fire Department, or take any action relative thereto.

**SPONSOR:** Board of Selectmen (Town Manager)

**COMMENTARY:** The Fire Department acquired a used pick-up truck from the Department of Defense and is requesting funds for the purposes of refinishing and transferring equipment from the former truck (Forestry I - 1977) to the replacement unit.

Additional commentary: The FY 2009 Budget was based on having a part-time, salaried Conservation Administrator. The decision was made to contract out the administrative duties to a private firm due to a vacancy created by the resignation of the former Conservation Administrator prior to the start of FY2009. Per MGL, salary lines in municipal budgets cannot be used to pay expenses. This transfer will pay the firm's monthly bill from November until the close of the fiscal year.

### ARTICLE 18: TRANSFER OF FUNDS TO FY09 COUNCIL ON AGING (COA) BUDGET

To see if the town will vote to raise and/or appropriate and/or transfer from available funds a sum of money to the FY 09 COA expense and salaries account for the purpose of restoring Friday services and our custodial hours.

SPONSOR: Council on Aging COMMENTARY: At their meeting on Tuesday, Sept 9th the COA Board voted unanimously to place the article on the Fall Annual Town Meeting Warrant.

MOTION: I move that the Town vote to transfer and appropriate the amounts as stated in the following chart for any purpose for which funds may be expended from the latter accounts, each item being considered a separate appropriation for FY09.

RECOMMENDATION OF THE FINANCE

COMMITTEE: Unfavorable (3-2-0)
While the Committee is supportive of the outstanding work of the COA, it feels it must support the financial policy (Financial Management Policy and Objectives, B.1.)
"The annual budget should be supported solely by ongoing recurring revenue sources ... The annual budget should not

be funded with non-recurring revenues sources, such as stabilization."

RECOMMENDATION OF THE BOARD OF SELECTMEN: Unfavorable (4-1-0)

### ARTICLE 9: STREET ACCEPTANCE - BIG ROCK ROAD

To see if the Town will vote to accept as public ways the roads and utilities, and to authorize the Selectmen to accept easements for such roadways and infrastructure related thereto, as shown on the plan entitled "Roadway Acceptance Plan of Big Rock Road" by Andrews Survey and Engineering, dated May 2002 and relating to Big Rock Road, or take any action relative thereto.

**SPONSOR:** Board of Selectmen (Town Manager)

commentary: This project was being developed by a company that ultimately filed bankruptcy. The Town exercised surety and the residents spearheaded the effort to complete the project. The surety was exhausted (and in fact, the residents

contributed significant private funds to accomplish the required work), and the subdivision is being reviewed by the Planning Board for a Determination of Completeness. The mylar plans and deeds are on file with the Town.

MOTION: I move that Big Rock Road is to be accepted in its entirety referencing a plan entitled "Roadway Acceptance Plan of Big Rock Road, by Andrews Survey and Engineering, dated May, 2002."

To see if the Town will vote to rescind the remainder of the \$160,000 borrowing authorization, in the amount of \$23,075, as authorized in Article 6 of the November 15, 2005 Fall Annual Town Meeting, or take an action in relation thereto.

**SPONSOR:** Board of Selectmen (Town Manager)

COMMENTARY: This is a housekeeping measure as the balance of the \$160,000 authorization was not needed for the Taft School Roof project that was voted in 2005 and issued as permanent funding in April of 2008. The Town completed this project for \$136,925.00. The remaining authorization of \$23,075 should be rescinded.

MOTION: I move to rescind the remainder of the \$160,000 borrowing authorization, in the amount of \$23,075.00 as authorized in Article 6 of the November 15, 2005 Fall Annual Town Meeting.

Motion seconded.

MOTION: I move that the Town rezone 14 +/- acres located on Douglas Road (Rt. 16) being Assessors Map 23, Parcel 2895, from Agricultural to business zoning.

Motion seconded.

PLANNING BOARD REPORT: Unfavorable

### RECOMMENDATION OF THE FINANCE

COMMITTEE: Unfavorable (5-0-0) The original change in zoning for the adjacent site (preferred site) called for this parcel to be a buffer zone. The Finance Committee believes the parcel should remain a buffer zone.

RECOMMENDATION OF THE BOARD OF

SELECTMEN: No Action (3-2-0) VOTE NEEDED: Requires a 2/3rds vote. Moderation declares motion fails to obtain 2/3 vote.

### ARTICLE 29: CITIZEN PETITION TO RESCIND VOTE TO ACCEPT ARTICLE 24 (RENUMBERING/ REVISION OF TOWN ZONING BYLAWS-CODIFICATION) OF THE MAY 2008 ANNUAL TOWN **MEETING**

To see if the town will vote to rescind the vote to accept article 24 of the May 13, 2008 Town Meeting entitled "RENUM-BERING/REVISION OF TOWN ZONING BYLAWS-CODIFICATION" or take any other action related thereto.

SPONSOR: Citizen's Petition

**COMMENTARY:** The above article was presented as having little or no substantive changes to the existing zoning laws when in fact basic and fundamental and sweeping changes were made. In at least two instances changes were made revising provisions that had been specifically rejected by recent town meetings and in both instances nothing was contained in the document presented to voters to alert them to the changes.

MOTION: No motion - The moderator ruled the Article out of Order.

PLANNING BOARD REPORT: Unfavorable (5-0-0)

### RECOMMENDATION OF THE FINANCE

**COMMITTEE:** Unfavorable (4-1-0) The zoning bylaw codification project was initiated by the Board of Selectmen. The

purpose is to bring the Town's bylaws up to date. The work was performed by special town counsel. The focus of the work was to better organize the bylaws and, where necessary, to bring them up to date with the law. The Finance Committee believes the codification project is valid and useful to the town.

RECOMMENDATION OF THE BOARD OF **SELECTMEN:** Favorable (4-1-0)

The moderator ruled the Article out of order. No motion. No action.

**Continuation of Town Meeting:** Wednesday, November 19 – after 12:00 midnight

#### ARTICLE 30: CITIZEN PETITION TO AMEND THE ZONING BY-LAWS RELATING TO ENFORCE-**MENT**

To see if the Town will vote to Delete from the Zoning By-Laws Article IX Administration & Procedures Section 400-47 subsection B and substitute a new subsection B Enforcement that reads "Pursuant to GL c40A Section 7 the provision of this by-law shall be enforced by the Board of Selectmen. No permit shall be granted for the construction, alteration, relocation or use of any building, structure or premises in violation of any provisions of the by-law.

SPONSOR: Citizen's Petition **MOTION**: as presented in Article. Motion seconded.

PLANNING BOARD REPORT: Unfavorable (5-0-0)

### RECOMMENDATION OF THE FINANCE

**COMMITTEE:** Favorable (3-2-0) The BOS should control zoning enforcement as many but not all zoning complaints end up in the legal system. The BOS appoints Town Counsel and is responsible for all legal matters for the Town. RECOMMENDATION OF THE BOARD OF

SELECTMEN: Favorable (5-0-0)

VOTE NEEDED: Requires a 2/3rds vote. Moderator declares motion fails to obtain 2/3 vote.

### **ARTICLE 31: CITIZEN PETITION** TO AMEND UXBRIDGE HOME RULE CHARTER RELATING TO ELECTED BOARD OF PUBLIC WORKS

To see if the Town will vote to

• amend the Uxbridge Home Rule Charter as follows: Add to Article 3, Elected Officers, Section (number to be assigned by Town Clerk)

### **ELECTION & DUTIES OF THE BOARD OF PUBLIC WORKS**

- A. The Department will come under the jurisdiction of a Board of Public Works, and elected body consisting of three members hereinafter called the Board. The initial members thereof shall be elected, one to serve for one (1) year, one for two (2) years, and one for three (3) years from the date of the annual town meeting at which they are elected and thereafter when the term of any member expires, his successor shall be elected to serve for three years. In all cases the members shall serve until their successors are elected and qualified. The members of the Board shall, after each election, elect one of their members to act as chairperson for the ensuing year. No member of the Board shall hold any other elective town office.
- B. The Department shall be under the supervision and control of a superintendent appointed by the Board.
- C. Said superintendent shall be a person qualified by education, training and experience and shall be responsible for the operational and administrative functions of the Department in accordance with a job description to be developed by said Board.
- D. The salary of said superintendent and the term of office shall be determined by said Board, subject to appropriation by the town meeting.
- E. Said superintendent shall hold office subject to the will of said Board, and shall not be subject to the civil service law. During tenure the superintendent shall hold no elective office nor shall be engaged in any other business or occupation. Any vacancy in such office shall

When the Charter was adopted, he DPW was dissolved and all the responsibilities fell to the Department Heads, the Town Manager, and the Board of Selectmen acting as Water/Sewer Commissioners). It is this citizen's position that the ability of the aforementioned responsible parties is limited due to the overwhelming number of issues they already manage and the Town would be better served by a BPW whose sole purpose would be to deal with the multitude of complex, time consuming, and difficult issues the DPW face on a daily passis.

MOTION: I move that Article 32 be approved as printed with an effective time and date of 8:00pm on the date of the next Annual Town Election (May 19, 2009).

RECOMMENDATION OF THE FINANCE

RECOMMENDATION OF THE FINAL COMMITTEE: Unfavorable (4-2-0)

#### ARTICLE 5: TOWN BUDGET

To see if the Town will vote to fix compensation of all officials of the Town, provide for a reserve fund, determine sums to be raised and appropriated, including those from available funds, in order to defray ex-

penses including debt and interest for fiscal year 2010 (FY10) — approve the budget, or take any other action related thereto. SPONSOR: Board of Selectmen (Town Manager)

Commentary: The FY 2010 budget shows a reduction in expenditures of \$478,900 or 1.38% over FY 2009. Pursuant to the revenue share agreement, the municipal departments have been reduced by \$378,713, Uxbridge Public Schools and Student Transportation have been reduced

by \$365,095, while fixed costs, such as health insurance, debt, retirement and the Blackstone Valley assessment are rising by \$264,908 This budget compares favorably with the most current FY 2010 House budget, but may have to be adjusted at the Fall Annual Town Meeting when the state budget is completed and the final cherry sheets are released.

#### ARTICLE 7: SEWER DEPART-MENT BUDGET (ENTERPRISE FUND)

To see if the Town will vote to raise and appropriate, and/or transfer from available funds, or otherwise provide a sum or sums of money for the salaries, expenses and debt service of the Sewer Department (Wastewater) Enterprise Fund for the ensuing fiscal year, such sums of money to be offset by revenues of the Sewer Department Enterprise Fund received during fiscal year 2010, or take any other action related thereto.

**SPONSOR:** Board of Selectmen (Town Manager)

Commentary: The Sewer Enterprise Fund is based upon the collection of sewer charges to over 2,350 customers and is entirely self-supporting. The services budgeted in the FY 2010 Water Enterprise budget request have changed slightly, as for charges for benefits that are transferred back to the general fund have been moved from the expense line to the salary line of the budget. The FY 2010 budget request has been reduced by \$10,380 from the FY 2009 approved budget.

#### ARTICLE 12: SPECIAL LEGISLA-TION; CABLE ACCESS ENTER-PRISE FUND

To see if the Town will vote to authorize the Board of Selectmen to petition the General Court for special legislation to allow the Town of Uxbridge to \_\_\_\_\_\_

\_\_\_\_\_\_, however, that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approves amendments to the bill before enactment by the General Court which are within the scope of the general

public objectives of the petition, pass any vote, or take any action relative thereto:

### AN ACT AUTHORIZING THE TOWN OF UXBRIDGE TO ESTABLISH A CABLE PEG ACCESS ENTERPRISE FUND.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same as follows:

Section 1. Not withstanding any general or special law or rule or regulation to the contrary regulating the operation of a cable peg access account, the Town of Uxbridge shall fund and operate a cable peg access account pursuant to M.G.L. Chapter 44, Section 53F 1/2.

**Section 2.** This act shall take effect upon its passage.

SPONSOR: Board of Selectmen Commentary: This article seeks to address the issue of how to account for the collection and expenditure of license fees paid to the Town pursuant to the September 2001 agreement between the Town of Uxbridge and Charter Communications Entertainment I, LLC (Section 6.3, annual support for PEG Access). There is no specific statue within Massachusetts General Laws that govern the collection and expenditure of cable access funds which allows such funds to retain their unexpended proceeds on an annual basis. Cities and towns, as a rule, do not close the balance in these accounts at the end of the fiscal year. As a result, they use various funding mechanisms to allocate and account for cable access receipts and expenditures, none of which fit the requirements of M.G.L. This local option legislation, if passed, will clear the issue for the Town.

**MOTION:** Move to accept the article as written

RECOMMENDATION OF THE BOARD OF SELECTMEN: Favorable Action (4-1-0) RECOMMENDATION OF THE FINANCE COMMITTEE: Favorable Action (3-2-0) for special legislation. This is an effort by the BOS to end the controversy about funds gathered by Charter, 4.25% of cable bills for television programming, and paid to a special account. This action, if approved by

a bonus in matching grant funds to those communities establishing such a trust fund. The bonus would be awarded as matching funds up to two percent of the total MSBA reimbursement grant award for a project. Uxbridge hopes to receive this bonus as part of any MSBA funding that may be approve for the Uxbridge High School Project. MOTION: Move that the Town will vote to create a local fund titled "School Facility Maintenance Trust Fund" for the purpose of funding appropriate school facility maintenance projects that meet the provision of 963 CMR 2.00, Section 2.18 4(b), and further that the Town affirm its intent to accept all matching grant funds from the Massachusetts School Building Authority (MSBA) for which it qualifies, relative to the regulations outlined in 963 CMR 2.00, Section 2.18 4(b), and deposit said funds into the "School Facility Maintenance Trust Fund' for use in funding such projects. RECOMMENDATION OF THE BOARD OF SELECTMEN: Recommendation to be

presented at Town Meeting RECOMMENDATION OF THE FINANCE

**COMMITTEE:** Favorable Action (5-0-0) Establishing the School Facilities Maintenance Fund, with no appropriation at this time, provides the possibility of additional percentage points added to the reimbursement funding for any school project.

**VOTE NEEDED:** Requires a simple majority The motion is seconded.

Amendment Proposed: Move to amend Article 16 by adding the additional wording: Said "School Facility Maintenance Trust Fund" shall be under the exclusive jurisdiction and control of a Board of Trustees of not less than six members. Said "School Facility Maintenance Trust Fund" shall be comprised of one member of the Board of Selectmen, one member of the School Committee, one member of the Finance Committee and three members elected by the public. Members appointed from the Board of Selectmen, School Committee and/or Finance Committee shall be subject to reappointment each time the Board or Committees shall reorganize. The initial slate of three members of the public shall be appointed by the Town Manager with

one having a term of three years or less, a second having a term of two years or less, and the third having a term of one year or less with each incumbent being required to seek election for a three year term in the regularly scheduled Town election held just prior to the termination of his/her initial appointment. All meetings of said "School Facility Maintenance Trust Fund Board of Trustees" shall be conducted in accordance with the provisions of Massachusetts General Law Chapter 39, Section 23B "Open Meetings Governmental Bodies" except that a quorum of the "School Facility Maintenance Fund Board of Trustees shall require not less than four members to be present and any decision to expend money from the "School Facility Trust Fund" shall require an affirmative vote of not less than four members to be present and any decision to expend money from the "School Facility Trust Fund" shall require an affirmative vote of not less than four members.

An amendment to the amendment was then offered to delete the reference to the Finance Committee members. The amendment to the amendment was seconded and carried.

The original amendment was seconded and motion to amend fails.

The motion was seconded and carries. Article 16 carries without amendment.

### ARTICLE 17: AMEND THE ZON-ING BYLAWS APPENDIX A -TABLE OF REGULATIONS

To See if the Town will vote to accept the Zoning By-Laws §400 be amended by: Deleting in its entirety the existing "AP-PENDIX A - TABLE OF REGULATIONS" and replacing it with the Attached "APPENDIX A - TABLE OF USE REGULATIONS" (See Attached)

Also by amending the Zoning Bylaw §400 Article X "Definitions", by adding the following definitions, in their appropriate alphabetical order as the section is now organized:

Light manufacturing /light industrial: Any lawful manufacturing use, including any assembly, warehousing, or processing operation which is not detrimental to the community or to the neighborhood by reason of the emission of dust, odors, gas, smoke, vibrations, noise, light, or other environmental contaminants; and not including the manufacture, storage, transportation or disposal of hazardous material.

Non-exempt agricultural use: Those uses, agricultural in nature, that are not exempt from zoning regulation under Massachusetts General Laws Chapter 40A section 3. Said uses may not be exempt due to the size of the parcel upon which the activity is being conducted, that being less than five (5) acres, or that the primary use of the land is something other than agricultural, or for other reasons.

Non-Hospital Medical Institution: Medical clinic, physician office(s), ambulatory surgical facilities, x-ray and other laboratory or testing facilities, but not including inpatient services.

Also by amending the definition Apartment House by striking "apartments or an independent family above the second floor" and adding in its place "dwelling units". The definition shall read in its entirety: "Apartment House: A building containing three (3) or four (4) dwelling units provided (a) the minimum lot size for the first unit shall be equal to the minimum lot size for a single-family residence in the zoning district, (b) 8,000 square feet of land shall be provided for each additional dwelling unit (c) the front yard shall be landscaped and (d) 1.5 paved, off-street parking spaces shall be provided for each dwelling unit therein."

**SPONSOR:** Zoning Board of Appeals Commentary: This will delete the existing Section of the Zoning Bylaws and replace it with a new Section as printed below in the Warrant of this Town Meeting.

### ARTICLE 28: TRANSFER OF ELI-GIBLE RETIREES TO MEDICARE

To see if the Town will vote to accept the provisions of Chapter 32b, Section 18 of the General Laws of Massachusetts, which requires that retirees of the Town and their dependents who are eligible for Medicare transfer from Town health insurance to the Medicare program.

**SPONSOR:** Board of Selectmen (Town Manager)

Commentary: This is part of a strategy to identify health benefits cost savings to the Town, and to mitigate future increases to both the Town and subscribers. Acceptance of Section 18 will require all Medicare eligible Town & School retirees to migrate from the Town's active health benefit plans to the Town's Medicare supplement plans. While many retirees are on the Medicare supplement plans, a small number of Medicare eligible retirees are commingled within the Town's active plans. This adversely affects the Town's claims experience on the active plans which is a component of the rate setting process of the premiums paid by the Town and employees. The Medicare supplement plans offer comparable benefits, depending on the retiree's choice of plan, and offer nationwide access. Retirees will not lose the ability to be insured and the Town currently contributes 80% of retiree's health insurance premium. The Town must contribute to Medicare, which includes all employees hired after 1986. Enrollment for these plans occur in January 2010.

The Insurance Advisory Committee, a group comprised of representatives for retirees, municipal and school unions, and management staff for the first time, voted unanimously to support this article, pursuant to the Board of Selectmen agreeing to authorize the payment of the same percentage of the Medicare Part B premium for all current and future retiree, that they are charged for health insurance, which is currently 80%. The Board voted the authorization, pursuant to successful passage of this article, on April 27th.

MOTION: Move that the Town accept the provisions of Chapter 32b, Section 18 of the General Laws of Massachusetts.

RECOMMENDATION OF THE BOARD OF SELECTMEN: Favorable Action (4-1-0)

RECOMMENDATION OF THE FINANCE COMMITTEE: Favorable Action (6-0-0)

MGL 32b Section 18 allows eligible retirees to move to Medicare B and join the supplemental Health Insurance plans, with a compromise, not made in the past, by the BOS to pay 80% of the Medicare B for
